Textbook: *Emergency Care, 14th Edition, Robert J. Elling & Donald Limmer*
<https://www.pearson.com/store/p/emergency-care/P100002824449>
Emergency Care, 14th Edition has moved to a rent to own model for the print book. It is being promoted as a “rental” to address student affordability options. This gives the student the option to pay only for what they will use and if they want to keep the book then pay the difference. Students can make direct purchase on our website, link, then select print.
Rental Edition (180 days): \$59.99
Print Ownership after Rental + \$45.00 = 104.99 total book cost
